

Pension Fund Notes

Newsletter of the American Federation of Musicians and
Employers' Pension Fund

Make Your Voice Heard in Congress

The AFM-EPF has launched a new webpage to connect participants with their Members of Congress and the Joint Select Committee on the Solvency of Multiemployer Pension Plans.

The voices of our 50,000 participants and those of other 100+ funds facing insolvency will be crucial in persuading members of the Joint Select Committee to act this year to produce and pass legislation that fully and fairly solves the national multiemployer pension crisis.

Visit <https://afm-epf.org/Congress.aspx> to:

- Learn about the Joint Select Committee
- Identify your Members of Congress
- Plan what to say
- Call your Members of Congress
- Email your Members of Congress and the Joint Select Committee

We will alert participants when there are key moments this year when it is especially important to reach out to Members of Congress. We hope these resources empower participants to take real action to help protect the Fund, their own benefits and those of their fellow musicians.

Trustees Send Letter to Members of Joint Select Committee

Following the recent meetings held by AFM-EPF Co-Chairs [Ray Hair](#) and [Chris Brockmeyer](#) with Members of Congress, the Trustees have sent a letter to all members of the Joint Select Committee. As in the letter sent to Congressional leaders in January, the Trustees describe the stakes for participants, employers and the economic wellbeing of communities across the country. They urge the Joint Select Committee to take action now. You can read this letter [here](#).

Joint Select Committee to Hold Next Hearing:

“Employer Perspectives on Multiemployer Pension Plans”

The Joint Select Committee has announced that its next hearing will take place on Wednesday, June 13 at 2:00 p.m. Eastern, which will examine “[Employer Perspectives on Multiemployer Pension Plans](#).” The hearing will be broadcast live [on the Committee’s website](#), and it will be archived there for later viewing.
